Adult Sunday School

Starting August 7th, a new dvd study begins titled

How (Not) to read the Bible

In *How (Not) to Read the Bible* video study, pastor and bestselling author Dan Kimball tackles one of the most pressing apologetic challenges today--how do we read and interpret the Bible? This six-session study explores the most misunderstood, difficult, and disturbing Bible passages related to women, science, violence, slavery, and world religions. Please come and be a part of this Adult

Bible Study.

Operation Christmas Child Collection

In August we are asking for School Supplies again like scissors, small notepads, pencil boxes, crayons, markers, etc. If you can help with these items it would be much appreciated. The box for your items will be up front in the sanctuary.

Tuesday Evening Women's Bible Study

Our inheritance through Christ is imperishable, undefiled, and unfading. In 1 Peter, a man of faith and flaws and eyewitness to the life of Christ

challenges us to look beyond our current circumstances to a future inheritance. He shares his concerns on big picture issues for the early church, describes believers' true identity in Christ, and ultimately helps readers discover what it means to experience the Living Hope they have in Christ. Key themes of humility, submission, and identity in Christ guide the study of 1 Peter as participants are challenged to read the book in its entirety each week.

Teaching videos are key to the understanding of this study. (9 sessions)

Contact Priscilla Hare with any questions. 6:30pm in the Journey Room. Ring the bell if you don't have a key.

Important information:

Don't forget to fill out your "Congregational Identity Survey" either online or by paper copy which are located on the front pew in the Sanctuary. Thank you for your cooperation and participation.
