The Adult Sunday School class has begun a study on the book of James. This has been referred to as 'the most practical book in the Bible'. It instructs Christians in how to live out the Christian faith. While the book of James is only five chapters long, it's packed with practical guidance that we can all benefit from. The study guide is available for \$6.00 (if able) please see Peggy for a copy.

Good Morning Bible Study - The Good Morning Bible Study meets every Thursday morning from 10:00 a.m. to noon in the Golden Circle Room. The class is open to all people and is going to be doing a self-study of the Scriptures. They are currently studying Joshua. See Linda Smith for details.

Peanut Free Worship, Sunday School & Coffee Hour

Session has moved to make Worship, Sunday School & Coffee Hour, peanut and tree nut free. This is because of several individuals who have intolerances and allergies to nuts. A nut allergy is very serious and can easily lead to extreme reactions that can kill. 1% of all people have a nut allergy. The number of people with nut allergies has doubled between the years 1997-2002. We need to keep allergies from being a barrier. We can go two hours without nuts, so that other people can feel safe worshipping the Lord. Read labels carefully. Packaged items will say on them if they contain nuts or are made in a factory that processes nuts. Let's work to make sure that we aren't bringing anything with us to Worship, Sunday School or Coffee Hour that contains nuts.
