Wilson Gift Cards

Wilson Gift Cards will go on sale today through March 26th. Order forms are in the front pew and at the sign up tables in the back of the sanctuary. Please make a check out to the church with Wilson GC in the memo and you can drop that into the offering boxes. They are \$25.00 each. Gift cards will be picked up at the end of March. If you have any questions, please contact Sandy Noland.

Apartment Kits

Please sign up in the back of the sanctuary if you can help purchase items for apartment kits. These will help kids that are aging out of the system get set up for success on their own. A date will be given soon to bring in your items so that the kits can be assembled. There are still many slots to sign up for if you are able to give to this worthy cause. **Items will be due in the church by April 16th** and will be housed in the Quilt room or you can give them to Sarah Bowles.

One Great Hour of Sharing Offering

As we turn our calendar to February and look down the page, Ash Wednesday appears and reminds us that the season of Lent has begun. Lent is a season of preparation to celebrate Easter. It is a season of fasting, prayer and sacrificial giving as we commemorate all that Jesus, our Savior and Lord suffered that we might be forgiven and be able to spend eternity with Him.

As the church has been doing for more than seventy years, the Session has once again approved the receiving of the One Great Hour of Sharing offering from Ash Wednesday, through Palm Sunday, April 2, 2023. The offering will be equally divided between our local Salvation Army and World Vision.

Easter Flowers

Easter lilies and Easter Mums will be on sale through March 12th. Please fill out a slip with the number of each type of flower you want and the names you are honoring and place your order form and your money in the offering box. Please make checks out to the church. They are \$11.00 for each flower.

Attention: please read

Please do not touch the thermostats in the Sanctuary!
Someone has broken the cages that were added to keep this from happening. For the organ, the boiler and the plaster's sake the thermostat must remain at a constant temperature.
