The Adult Sunday School class begins a new study on Esther in January. Written by Chuck Swindoll, this is a thought-provoking study of God's invisible hand writing silently and unseen across the pages of human history. Esther's story is the account of godly attributes like courage, dignity, wisdom, and strength – attributes that blocked an evil plot, overthrew an arrogant killer, and replaced terror with joy in thousands of Jewish homes.

In this 10-week study, we will see how the qualities that formed and empowered Esther can be ours as well. She was just an ordinary orphaned girl that God used to change the course of history. We will see that Esther didn't become great in her own strength, but was empowered by God when she surrendered her life to Him. God can use us in the same manner when we, too, submit to Him.

The book and study guide are available, but not required for this study. Please join us Sunday mornings at 9:15 in the Journey Room.

Jan 19 –After Worship today there will be a quick vote on the 3 open elder positions. Nominations are Keith Hare for a second term, Marilyn Johnston and John Mattern.
