Sunday School

Body of Proof by apologist Dr. Jeremiah Johnston. Culture is doing its best to convince the world there is nothing special about Jesus. And many Christians never get beyond a Sunday school understanding of their own faith. As a result, Christianity's most important historical fact—the resurrection—is often the most misunderstood, relegated to Easter and funeral services, creating a powerless Christianity. This class, taught by Ed Jobes, continues through the month of June.

Operation Christmas Child Please see the OCC shopping list for **June** located in the sanctuary. Thank you for all you do to provide necessities to all of God's children around the world. We are truly spreading "Good News and Great Joy!"

One last call for Heartbeats donations. The check will go out next week to Heartbeats so if you forgot and want to still give today is your last day.

Father, Creator of all, thank You for summer!

Thank you for the warmth of the sun
and the increased daylight.

Thank You for the beauty I see all around me
and for the opportunity to be outside and enjoy Your creation.

Thank You for the increased time I have to be with my
friends and family,

and for the more casual pace of the summer season.

Draw me closer to You this summer.

Teach me how I can pray

no matter where I am or what I am doing.

Warm my soul with the awareness of Your presence
and light my path with Your Word and Counsel.

As I enjoy Your creation, create in me
a pure heart and a hunger and a thirst for You.
