## Sunday School

Body of Proof by apologist Dr. Jeremiah Johnston. Culture is doing its best to convince the world there is nothing special about Jesus. And many Christians never get beyond a Sunday school understanding of their own faith. As a result, Christianity's most important historical fact—the resurrection—is often the most misunderstood, relegated to Easter and funeral services, creating a powerless Christianity. This class, taught by Ed Jobes, continues through the month of June.

**Operation Christmas Child** Please see the OCC shopping list for **June** located in the sanctuary. Thank you for all you do to provide necessities to all of God's children around the world. We are truly spreading "Good News and Great Joy!"

We are pleased to partner with **Heartbeats** again this year for their **2024**

**Campaign: Reaching Her from Mother's Day through Father's Day.**

Heartbeats and other pregnancy centers are vital to communities and serve not only as an extension of the church but as a representative of Christ Himself. In 2022 1,905 times a client was given a Bible, a consultant prayed with a client, a spiritual discussion occurred, or the gospel was shared. Your gift will help us to reach women with the love of Christ!

If you write a check, please indicate "Heartbeats" in the memo line. You can also give online at the following link:
