Starting Strong Apartment Kits:

Please see the sign up sheet in the back of the sanctuary to provide necessities for

foster youth transitioning into adult life. This ministry of Fostering Further is a tangible way to be the hands of Jesus and to encourage a young person. Our goal is to provide 5 kits! The items are due by April 21st. We will be assembling on April 28th after worship.

Sunday School

We will begin the study, Body of Proof by apologist Dr. Jeremiah Johnston, Sunday, April 7. Culture is doing its best to convince the world there is nothing special about Jesus. And many Christians never get beyond a Sunday school understanding of their own faith. As a result, Christianity’s most important historical fact—the resurrection—is often the most misunderstood, relegated to Easter and funeral services, creating a powerless Christianity.

The single most important fact of the Christian faith is that Jesus isn’t dead. He was resurrected on a Sunday morning two thousand years ago. That one weekend included His execution, an earthquake, daytime darkness, an uprising, and a miracle unlike any the world had ever seen.

Those events and the days that followed changed everything about the world and form the center of our faith. Yet outside of a few days each year, we don’t spend a lot of time contemplating the resurrection itself.

In this four-session Bible study taught by Ed Jobes, we’ll look back on that incredible weekend and see why the resurrection of Jesus gives us hope and confidence today.
